parties thus appointed shall constitute the Arbitration Board. In the event that the two (2) representatives of the parties to the Agreement fail to agree on the appointment of a Chairperson within the aforementioned ten (10) days, the Minister of Human Resources, Labour and Employment of the Government of the Province of Newfoundland and Labrador may be requested by the representative of either party to appoint a Chairperson of the Arbitration Board; and such appointment shall be binding on both parties.

***APPENDIX B-2 Salary Scales**

August 28, 2023

Mr. Bill Kavanagh
President, CUPE Local 1615
Memorial University of Newfoundland and Labrador

Dear Mr. Kavanagh;

This letter will acknowledge discussions held during the 2022-2026 collective bargaining negotiations regarding the 36 step salary scale. In an effort to bring salaries in-line with market conditions, as well as reduce the number of years for employees to reach the top of the salary scale, the Employer agrees to a compression of the current 36 step scale. This compression will result in the current Step 18 of the scale becoming the new Step 1. Any employee who is currently below the current Step 18 of their scale will be moved to the new Step 1.

The effective date of this compression will commence on date of signing of the new collective agreement. There will be no retroactivity applied prior to the date of signing.

Yours truly,

*** UPSCALE HIRING**

August 28, 2023

Ms. Mary Barron
Associate Director of Human Resources
Memorial University of Newfoundland

Dear Ms. Barron:

This letter of intent acknowledges that during the 2022 – 2026 negotiations, discussions took place with respect to hiring upscale for new employees of the university. The parties recognize Labour Market changes may produce shortages of particular skills and knowledge in certain occupations and/or positions. There may be occasions when it is necessary to pay beyond the hiring rate at step one of the particular band level to attract the appropriate candidates for key positions.

It is further agreed that when these conditions are present, the University will consult in advance with the Local President and in such consultation will establish that the rates are required to meet the needs of the university.

The Employer will identify the CUPE classifications where upscale hiring has occurred, with the intent being that only those classifications where employees hired upscale are placed on a step higher than more senior employees in that classification and unit, will be addressed.

It is understood that the University may utilize upscale hiring to temporarily address recruitment challenges. Where such circumstances exist, Memorial's Procedure for Requesting an Upscale Hire will be followed.

Sincerely,

A handwritten signature in black ink, appearing to read 'Bill Kavanagh', written over a horizontal line.

President, CUPE 1615

until the employee's contribution to the fund and accumulated interest is depleted.

- (d) While an employee is enrolled in the Plan and not on leave, any benefits tied to salary level shall be structured accordingly to the salary the employee would have received had the employee not been enrolled in the Plan.

- (d) Pension contributions shall be paid on the salary the employee would have received had the employee not entered the Plan or gone on leave. These payments will be made during each year of enrolment including the period of leave and will be the normal contribution rate as required under the Memorial University Pensions Act.
